

GERMANS CLAIM CAPTURE OF MINSK AND PURSUIT OF FLEEING RUSSIANS

GERMANS CLAIM NAZI TROOPS ARE HALF WAY MOSCOW

CLAIMED RED ARMY DEFENSES FURTHER NORTH STEADILY CRUMBLING

BERLIN, June 30.—(P)—Germany claimed tonight that Nazi troops had driven almost the half way along the 450-mile road to Moscow, capturing the White Russian capital of Minsk on route, and asserted that Russia's Red army defense further north were crumbling so badly that a proper front no longer exists.

On the northern front, it was said, German columns were pounding in pursuit of the retreating Russians. Presumably this referred to operations along the Baltic, in Latvia.

The high command bulletin on the capture of the Latvian port was preceded by a report that a Soviet Russian division near the Baltic coast had been encircled in a German northward push in Lithuania and Latvia.

"The ring is so narrow and tight" around the Red army forces on the Baltic front, DNE, official German news agency said, "that the capture of the Bolshevik units is certain."

The agency also said several hundred Russian tanks and 42 German forces at Bowna Rus, just inside Sovietized Poland about 40 miles northwest of Lwow. The latter fortified city, known as Lemberg, was the scene of fierce German-Russian fighting in the world War I.

German occupation of Lwow for the second time in two years was announced by the high command in a special bulletin.

This and the DNE reports from the front were the only new information, however, there being an extraordinary delay in issuance of the daily communiqué.

The Nazi fighting forces seized the city from the Red army this morning, the high command said, while less than two years ago a considerable portion of the routed Polish army was forced to capitulate in the Lwow region.

RUSSIANS REPORT RESISTANCE ALONG 2,000-MILE FRONT

MOSCOW CLAIMS REPULSE OF TWO SHORT-CUT DRIVES TOWARD LENINGRAD

MOSCOW, June 30.—(P)—All able-bodied citizens of Leningrad and surrounding towns were conscripted tonight for work on the city's defenses.

The conscription decree issued by the Leningrad Soviet called on all men from 16 to 60 and all women from 16 to 45, excepting only those already doing national defense work in factories or elsewhere.

Persons not already employed are required to work eight hours a day on the defenses; others three hours after their regular working day is ended.

Leningrad, second city of Russia and a center of war industries, is on the Gulf of Finland, close to the Finnish frontier.

NEW GERMAN ARMY HAS FACED OFFENSIVE-DEFENSIVE DRIVES BY ENEMY; REDS MAY BE TAKEN

By FRED WANDERSCHMIDT.

One of the most interesting points in the battle of communities which began in full force over the weekend on the Russo-German conflict is Nazi acknowledgment of a type of offensive-defense on an extremely powerful scale, something the new German army has not before faced.

But the most ominous note for the Red army, now that the Germans have made their claims in a sudden stream of delayed communications, is the alleged German encirclement of two Soviet armies, of perhaps 400,000 men, near Bialystok.

Astronomical figures for air-pilots destroyed, given by both sides, must now be taken too seriously. If it was proved anything at all, it is the consistent unreliability of estimates of one opponent's aerial losses by the other, especially when they are based on the reports of pilots engaged in a large-scale battle.

Still Leading

Despite gains by Governor W. Lee O'Daniel overnight and Monday, Congressman Lyndon B. Johnson, above, maintained a margin of 2,525 votes Monday in the race for the vacant post of United States Senator from Texas.

SEVEN SPY SUSPECTS PLEAD GUILTY WHILE 18 CLAIM INNOCENT

TWO MEN ARRESTED CLOSELY ASSOCIATED SECRET BOMBSIGHT MAKING

NEW YORK, June 29.—Seven of the 29 persons arrested in the government's big week-end spy hunt pleaded guilty today to espionage against the United States. Innocent pleas were made by 18 others, including two technicians described as having been associated closely with the manufacture of secret army bombsights.

Twenty-five of the suspects were arraigned in Brooklyn federal court and were held for trial July 15 under bail totaling \$425,000. Two suspects who pleaded innocent were Herman Lank, 40, German-born draftsman who was said to have worked since 1934 as a factory inspector of the Norden bomb-sight plant in Brooklyn, and a 47-year-old New York City native who had been a draftsman since 1927 at the Sperry gyroscopic plant in Brooklyn where the Sperry bombsights are made.

Those pleading guilty were: Alex Wheeler-Hill, 40, German-born.

France Breaks Relations With Soviet Russia

VICHY, Unoccupied France, June 30.—(P)—France severed relations with Soviet Russia today and it was learned that at least 200 persons accredited to Russian diplomatic and consular services have been held for questioning.

Russian men and women who were held were concentrated in the stadium outside Vichy where only yesterday Chief of State Marshal Petain gave a flag to the French youth labor camps.

For 24 hours before the decision to break relations with Moscow, all roads leading to and from Vichy were heavily guarded.

As soon as the break became known, the Russians informed the United States embassy. It was not yet known who will take over Russian interests in France but it was expected to be Sweden.

The break in Russian-French relations followed week-end negotiations between Petain and Soviet Ambassador A. E. Bogomolov.

It can now be seen that on last Wednesday the Red army, having absorbed the initial shock of the German assault, was able to attempt a major counter-attack on the action two days before the German offensive. This, the Germans confessed, was an encirclement involving "countless armored cars" and was designed to cut off the advance Nazi panzer spearheads from the mass of following infantry.

The German communiqué acknowledges that a considerable effort by both fighter planes and anti-aircraft guns was required to combat this tactic, thus showing that the Red army's counter-attack was well supported from the air. But, in a communiqué dealing with the action two days before the Germans claimed they already had destroyed 2,852 planes, which would certainly have been a considerable part of the Red air force's first-line strength.

O'DANIEL GAINING ON JOHNSON IN RACE FOR SENATORSHIP

COUNT AT 2 P. M. GIVES JOHNSON LEAD ONLY 2552; NEAR 15,000 VOTES OUT

DALLAS, June 30.—(P)—Gov. W. Lee O'Daniel edged closer to Congressman Lyndon Johnson today in the battle for the United States senate post and with fewer than 15,000 votes out Johnson held a lead of but 2,552.

This represented a gain of 1,535 votes for O'Daniel since the 10:30 a. m. tabulation of the Texas Election Bureau and a gain of 2,009 since the bureau made its last report last night at 9 o'clock. At 2 p. m. the vote among the four leading candidates in Saturday's special election stood: 163 out of 254 counties complete—Johnson 169,874; O'Daniel 167,442; Attorney General Gerald C. Mann 137,197; Congressman Martin Dies 12,927.

Another report will not be available before 4 p. m.

O'Daniel had made a gain of more than 2,000 in the tabulation of 10,682 votes, indicating that if such a rate of increase continues in the remaining vote to be counted, the Governor will come very close to Johnson's total.

Johnson was not yet claiming victory in his bid for the senate seat vacated upon the death of Senator Morris Sheppard. Neither had O'Daniel conceded defeat.

DALLAS, June 30.—(P)—It seemed today only a miracle could have miracle-man W. Lee O'Daniel from his first election defeat. A

MACHINISTS RETURN TO SHIPYARDS JOBS SAN FRANCISCO AREA

TWO STRIKES BY AUTOMOBILE WORKERS IN EASTERN SECTORS THREATENED

(By The Associated Press.)

Machinists who had been on strike since May 10 headed back to work today on \$500,000,000 of defense production in 11 shipyards and drydocks of the San Francisco Bay area.

An earlier decision to return to their jobs was reaffirmed yesterday by 600 CIO members. A few days before, 1,100 AFL machinists had decided to end their walkout.

All told, under a contract with master contract, covering all shipyards, which provides payment of \$1.12 an hour and pay and a half for overtime. The strikers had asked for \$1.15 and double overtime pay. While working they will demand negotiations on their demands.

A breakdown of negotiations for a new contract led to a strike call yesterday at AFL's United Automobile Workers in the wire division of the Electric Auto Light Corp., Detroit, Mich., which has orders from the navy for electrical supplies.

The union wants a raise of 10 cents an hour for all employees, a union preferential clause or union shop agreement, and a 5 per cent premium on the base wage for night workers. The present basic

LITTLE CHILD WAS KILLED BY TRAIN ON SUNDAY MORNING

Funeral services for Ronnie Earl Brannon, 18-month-old son of Mr. and Mrs. Earl Brannon, 115 Rob Avenue, who was killed Sunday morning, were held Monday afternoon at 2 o'clock at Red Oak where interment was made.

The little child was instantly killed at 10:35 o'clock Sunday morning near the intersection of North Beaton street and the Burlington-Rock Island Lines when it was struck by a southbound Burlington-Rock Island Lines freight train.

Officers reported that efforts of trainmen to stop the train were unsuccessful. The little child's body was mangled. The father is an employee of a bridge gang of the railroad company.

Deputy Sheriff Jeff Spencer and Constable Bill Lee answered the call.

R. H. Carroll of Teague was the engineer and J. E. Fulton, Jr., also of Teague, was the fireman. The rites were conducted by A. E. Walker, Church of Christ minister.

Surviving are the parents and grandparents, Mrs. C. C. Koenig, Teague, and Will Bond, Red Oak. Corley Funeral Home directed the arrangements.

NAZIS GAIN; REDS HOLD

German columns, taking Napoleon's route, forced a bulge in the northern Russian defenses in the Polish-Baltic section which Saturday had pushed the Reds back almost to the old Russian frontier. On the southern Prut River front, Moscow said its lines were holding and Red forces were reported counter-attacking.

O'DANIEL CARRIED NAVARRO COUNTY BY ONLY SLIGHT MARGIN

ROAD BOND ISSUE FAILED TO RECEIVE NECESSARY TWO-THIRDS MAJORITY

Complete unofficial returns from Navarro County in Saturday's senatorial and road bond issue election showed Governor W. Lee O'Daniel as the fastest runner for the Senate seat.

The proposition to issue \$300,000 road bonds failed to receive the necessary two-thirds majority although there was a majority of 614 for the road program.

For W. Lee O'Daniel was selected by 1,507 while Gerald C. Mann, attorney general, came in second with 335 and Lyndon B. Johnson, congressman, was third with 1,175.

Congressman Martin Dies polled 711. Other senatorial votes included Arlon Barton Cyclone Davis, 3; W. E. Gilliland, 1; Commodore Earl Mue, 2; there were 1,175. Congressman Martin Dies polled 711. Other senatorial votes included Arlon Barton Cyclone Davis, 3; W. E. Gilliland, 1; Commodore Earl Mue, 2; there were 1,175.

ARMY AND NAVY ARE BLAMED FOR DEFENSE BOTTLENECK TODAY

MICHIGAN GOVERNOR SAYS CONTRACTS NOT LET LARGE ENOUGH OR FAST ENOUGH

BOSTON, June 30.—(P)—President Roosevelt told the 33rd annual conference of the Governors of the United States today that "the days ahead are going to test our energy, our ingenuity and our statesmanship, and I know from past experience that x x x America can depend upon the states to do their full part."

The "Governors" conference x x x meets at one of the most critical times of history," he said in a message read by Governor Harold E. Stassen of Minnesota, chairman of the conference.

A charge that the army and navy were responsible for the "defense bottleneck," because of failure to let contracts "fast enough or large enough" was made

LEGISLATURE WILL ADJOURN JULY 3RD AGREEMENT STATES

BOTH HOUSES ADOPTED SINE DIE ADJOURNMENT RESOLUTION MONDAY

AUSTIN, June 30.—(P)—The legislature today agreed to end its long general session July 3.

Both houses adopted a resolution providing for sine die adjournment of the session, longest in Texas history, on that date.

The senate resolution, however, called for adjournment at noon, while the house voted for 6 p. m. No difficulty in reconciling this difference was expected.

Winding up the session shortly after the senatorial election and action by Governor W. Lee O'Daniel on the major appropriation bills had been anticipated.

The governor today approved the education, eleemosynary and rural aid appropriation bills, leaving only the departmental to be acted upon.

One of the primary reasons for delaying sine die adjournment had been to give the legislature an opportunity to override any vetoed items in the appropriation measures of which the legislators did not approve.

The senate passed finally a bill requiring employers to give employees leaves of absence and preserve their contractual seniority rights during military service. The bill now goes to the board of committee report authorizing cities to zone property adjacent to airports, even though the property is not in the city limits, was adopted.

CONGRESS LEADERS TEAR PRICE-FIXING LEGISLATION PIECES

COMPULSORY PROGRAM OF ADMINISTRATION REJECTED BY LEGISLATIVE LEADERS

WASHINGTON, June 30.—(P)—The administration, it was disclosed today, has presented compulsory price-fixing legislation to congress, only to have it "literally torn to pieces" and rejected by legislative leaders.

The legislation, congressional authorities reported, would have authorized a limit form of price and rent control, restricted to defense areas.

Informed sources said the proposal was submitted to Speaker Rayburn and other congressional leaders by Leon Henderson, price control administrator and his aide.

"It was literally torn to pieces in the conference," one legislator said, "and the upshot was that Henderson was advised to revamp the bill drastically in conjunction with the legislative drafting service before resubmitting it."

There was no indication when the revised measure would be ready but influential house members were expected to be ready.

DARING DAYLIGHT RAID ON BREMEN BY BRITISH BOMBERS

MONDAY'S RAID FOLLOWED NIGHT BOMBING THAT SET FIRES IN BREMEN, HAMBURG

LONDON, June 30.—(P)—British RAF bombers resumed operations against French bases across the English Channel tonight, raiding the French coast between Boulogne and Calais for more than half an hour.

Heavy bomb explosions echoed across the misty channel.

Formations of bombers were protected by layers of fighters ready for the night attack, but there was no indication of any fighter opposition to the thrust.

The night attack followed an air ministry announcement of daylight offensive sweeps against the northern German cities of Bremen and Oldenburg, German shipping and a German island base off the Netherlands.

LONDON, June 30.—(P)—RAF bombers made a daring daylight raid this morning on the docks of Bremen and railway yards south of Oldenburg. It was authoritatively reported.

The bombers utilized clouds over northwest Germany, it was said, to screen the attack which followed raids last night which were declared to have started "very large fires" and caused "great damage" at Hamburg and Bremen. Shipbuilding yards and industries

Paderewski Dies

Ignace Jan Paderewski, above, died last night in a New York hotel after an illness of two days with pneumonia. The 80-year-old pianist had ruled Poland, his native land, one year as president and the piano for the past sixty years.

PADEREWSKI DIED LAST NIGHT AFTER TWO-DAY ILLNESS

PNEUMONIA STRUCK AGED PIANIST AND FORMER POLISH RULER DOWN

NEW YORK, June 30.—(P)—Ignace Jan Paderewski, 80, who ruled a piano for 60 years and a nation for one, died last night.

Pneumonia struck down the first president of the Polish republic and one of the greatest musicians of all time after a two-day illness.

By his side in the Hotel Buckingham were his sister, Mme. Antonia Wilkonska, his doctor, Dr. Asa L. Lincoln, and his wife, Cylvian Staracka.

The white-haired patriot was stricken with a cold last week and, ignoring his doctor's orders, made one of his many recent public appearances to help raise funds for his starving countrymen.

Three days ago he became gravely ill and yesterday afternoon he was placed in an oxygen tent, only to breathe his last just before midnight.

In keeping with an old Polish tradition requiring the heart of a great artist to be separated from

Two Draft Boards Complete Details Registration July 1

Arrangements had been completed Monday by officials of the two Navarro County Selective Service Boards for the registration of all young men. Tuesday, July 1, who had attained their twenty-first birthday since last October, under the provisions of the new draft order.

TRAINING LEAVING CAMP WOLTERS IN INCREASED NUMBERS

OVER SIX THOUSAND HAVE COMPLETED TRAINING MINERAL WELLS

CAMP WOLTERS, June 30.—(P)—Departure of trainees from this infantry replacement center increased in tempo today. Two hundred and thirty soldiers will be sent to regular army outposts in four corners of the United States.

Today, 303 men who have completed the thirteen weeks of infantry training at Camp Wolters are being sent by truck convoy to Camp Barkley, Texas. They will be split up between the 167th and 158th infantry regiments, the 68th infantry brigade and the 45th military police company.

Eight trainees will be sent to Brownwood, Texas, for service with headquarters detachment of the 10th Cavalry. Eleven will be sent to Camp Bowie, Texas, to the 208th military police company.

On Wednesday, 544 colored soldiers will be sent to the postoffice at Rice.

UNITED STATES TREASURY CLOSED BOOKS TODAY ON ONE OF BIGGEST MONEY YEARS—BIGGEST AHEAD

WASHINGTON, June 30.—(P)—The treasury closed the books today on one of its biggest money years—thanks to the defense program—but tomorrow will start a new fiscal year slated to pale anything in the fiscal history of the nation.

Although today was the last day of the 1940-41 fiscal year, it will be several days before the final figures are available. However, following are estimates of responsible officials on the year just ending and the one ahead:

1941-42	1940-41
Defense costs	\$8,050,000,000
Total spending	\$15,500,000,000
1941-42	\$12,700,000,000
Revenues	\$14,411,370,000,000
1941-42	\$12,800,000,000
Deficit	\$1,900,000,000
1941-42	\$5,100,000,000
Debt at year-end	\$14,411,370,000,000
1941-42	\$7,850,000,000

Neither set of figures includes more millions spent or to be spent and borrowed by governmental corporations, particularly the Reconstruction Finance Corporation and its subsidiaries. These already have defense commitments aggregating \$2,700,000,000. This money has not been spent very rapidly so far because much of it must wait until factories are built or strategic supplies are delivered from the Far East.

Stacking the treasury figures against the past, however, revenues this year already were an all-time record, beating by about \$1,000,000,000 the next best year of 1919-20. Expenditures exceeded any peacetime year in the last twelve years. Next year is scheduled to go to \$13,000,000,000 past the record of 1919-20.

The deficits for 1940-41 or for 1941-42, however, are not likely to surpass the world war peak. In 1917-18, it was \$9,000,000,000. In 1918-19 it was \$13,700,000,000.

Miss Joan Germany Weds Lt. F. L. MaGee In Frost Saturday

Of outstanding social interest to Frost and Navarro county was the wedding Saturday evening of Miss Joan Germany, daughter of Mrs. Alma Hooser Germany and Sam L. Germany, and Lieutenant Fabrian Lee MaGee, son of Mrs. Harold Faulin. The wedding, uniting members of two prominent families of Navarro county, took place before a setting of palms, daisies, oak leaves and many white candles placed in white candelabra. The ceremony, which took place at the Baptist church of Frost, was performed by the pastor, Rev. D. P. Cagle.

Prior to the ceremony Mrs. Charles McMichen, who played "Liebestraum" and "To a Wild Rose." Mrs. McMichen also played the wedding marches from Lohegrin and Mendelssohn. Dr. Ed L. Evans sang "All For You." Given in marriage by her uncle, Tom Hooser, the bride wore a gown of chantilly lace and white net. The long bodice was fashioned of lace and the flowing skirt extended in the back to make a train. Her finger well of illusion was attached to a halo headdress of stephanotis. She carried a bridal bouquet of orchids and stephanotis.

Mrs. Aldine Moore was matron of honor. The maid of honor was Miss Sally Dixon of Blooming Grove. Bridesmaids were Miss Frankie Louelle Slay, Miss Betsy Hyer of Dallas, Miss Patsy Scott, cousin of the bride, and Miss Frances Faulin, sister of the bridegroom. The little flower girl was Barbara Bonnett, cousin of the bride. Each of the attendants wore similar gowns of white lace and net. The brides were of white lace with sweetheart necklines, and the long flowing skirts were of white net. Each attendant carried an arm bouquet of flaming red gladioli, with a red gladioli in her hair. Little Miss Bonnett carried a complete bouquet of white flowers with red flower center.

Murray McCormick of Ellinwood, Kansas, attended the bridegroom as best man. Ushers were John Matlock, Henry McCord of Mexia, cousin of the bridegroom, Jerry Sam Scott and Arnon Scott, Jr., cousins of the bride.

Reception Was Held.
Following the wedding ceremony a reception was held at the home of the bride's grandparents, Mr. and Mrs. Sam Hooser, for members of the bridal party, relatives, close friends of the couple and out-of-town guests. The polished serving table was centered with a large bowl of white gladioli, peonies and fever few placed on a reflector. At one end of the table was a three-tier wedding cake at which Miss Faulin presided. At the other end of the table was the punch bowl, also placed on a reflector, with Miss Scott in attendance.

The guests were greeted by Mrs. Germany, Mrs. Faulin, and the newly married couple. Assisting with the serving were Mrs. Ernest Hooser, Mrs. Arnon Scott and Mrs. Fletcher Bonnett. Mrs. Tom Hooser registered the guests.

When the couple left for Monterey, Mexico, where they will spend their honeymoon, the bride was wearing an off-white alpaca cloth dress with a knit jacket of the same color. The drop shoulder effect of the jacket was of red, and her corsage was a white orchid.

Lieutenant and Mrs. MaGee are popular members of the younger set of Frost, both having graduated from the high school. Mrs. MaGee is a graduate of Texas State College for Women, and taught public music in the Port Arthur schools the past year. Lt. MaGee is a graduate of Texas A. & M. College and is at present stationed at Ft. Sam Houston in San Antonio where the couple will make their home after July 15.

The couple were extensively entertained prior to the wedding. Among those having parties were Mrs. Joe Keitt, Mrs. G. E. Moore, Mrs. James Moore, Miss E. Matlock, Mrs. John Slay, Miss Mary Jones, Mrs. Fletcher Bonnett, Mrs. Tom Hooser, Mrs. Ernest Hooser, Miss Sally Dixon, and Mrs. Harold Faulin who entertained with the rehearsal supper.

Have something you don't need? Turn it into cash. Just phone 163.

MRS. FABRIAN LEE MAGEE
Miss Joan Germany, daughter of Mrs. Alma Hooser Germany and Sam L. Germany, Frost, became the bride of Lieut. Fabrian Lee MaGee, son of Mrs. Harold Faulin, in a pretty church ceremony at Frost on Saturday evening, June 21. After a wedding trip to Monterey, Mexico, they will be at home in San Antonio, where Lieutenant MaGee is stationed at Fort Sam Houston.

Dawson Family Was Honored With Party At Pursley School

DAWSON, June 30.—(Special.)—On Wednesday night, June 25, Mrs. Fred Copeland, Mrs. Wm. Stiles, Mrs. Wm. Burns, Mrs. J. K. Brim, Mrs. Bill Pursley, Mrs. Ida Johnson, Mrs. S. B. Harris, Mrs. Will Cooper, Mrs. Clarence Mann, Mrs. O. B. Gunn, Mrs. Lawrence Hubbard, Mrs. Max Burns, Mrs. Leroy Matthews, Mrs. Lee Pursley, Mrs. Alton Anderson and Mrs. Steven Anderson.

A reading written by Mrs. Will Cooper was given by Mrs. Ida Johnson. Mrs. Sam Anderson directed several exciting and joyful games. After the honored guests had opened and passed for inspection the many nice gifts, refreshments, punch and cookies were served.

Several people from Pursley, including Mr. and Mrs. O. A. Owen, Mr. and Mrs. Jeff Banks and son, and Miss Lizzie Banks of Corsicana, attended this affair.

Gypsy Glo Coates In Costume Recital At Kerens Friday

KERENS, June 30.—(Special.)—Miss Gypsy Glo Coates, talented daughter of Mrs. J. E. McCluney, charmed a large and appreciative audience in the high school auditorium Friday evening at 8 o'clock when she was presented in a costume recital.

June graduate of the speech department of Trinity University, Miss Coates will serve as assistant to the head of the college department the coming year, and in addition will be president of Gamma Beta club of Alpha Phi Omega national dramatic fraternity.

For the past three years, she has been active in dramatics and varied interpretations at Trinity and has appeared on numerous programs at churches, schools and clubs of Waxahachie and other cities.

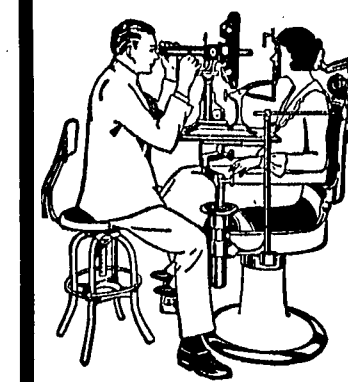

Assisting Miss Coates, during changes of costume, and intermission were, Terry Sanders, Marilyn Coates, Anne Jo Thornton, Connie and Norma Morgan, Mrs. Natalie Kirkland and Mrs. Charles Reese.

Ice Cream Supper Angus Baptist church, Thursday night, July 3rd. Benefit of the church. All friends invited to attend.

BARBECUE-MEETING OF PUBLIC WELFARE EMPLOYEES HERE

A large crowd of department of public welfare employees attended a barbecue-meeting at the Corsicana Country Club Saturday night when J. S. Murchison, Austin, director of the department was the honor guest. Miss Julia Callout, area 13 supervisor, was in charge of the meeting.

No set program was carried out. Area 13 embraces Navarro, Limestone and Henderson Counties, and a number of county officials including E. D. McCormick, county judge, and county commissioners; County Judge Davis of Henderson County and others also were guests, including Mayor John C. Calhoun of Corsicana, it was reported.

Explain Operation Of Parking Meters

With installations nearing completion, residents of Corsicana and Navarro county were undergoing an educational period in the use of the parking meters now installed in a large section of downtown business area.

Meters have been installed on Beaton street on both sides from Fourth Avenue to Collin street, and will be extended from the alley at the rear of the State National Bank on East Collin westward on that street to Main, and along the side of the J. M. Dyer Company on North Main street.

Explanatory circulars are being distributed asserting the meters have been installed for a six months trial with the privilege of removing them if they prove unsatisfactory, and stating they were put in to give the visitors to the business area a greater convenience in parking. Explanations on the operation of the meters state the green signal indicates time on the meter, red spot indicates a violation of the regulations, white heads shows amount of unexpired time. Rates are set out as 24 minutes for one cent, and two hours for five cents. Users are cautioned they cannot purchase extra time simply by inserting two coins at the same time, and that unused time on a meter is free to the incoming car.

Parking spaces have been increased to facilitate ingress and egress of the individual cars. Officials have stated that enforcement of the recently-adopted ordinances will begin as soon as all installations have been completed.

Richland Softball Tournament Begins Monday, July 14th

RICHLAND, June 30.—(Special.)—The annual softball tournament will begin, July 14, according to an announcement by official officials. First place winner will receive \$35 and second place club will be awarded \$15. The entry fee is \$1 per team. All entries must be in by July 7, according to J. E. Brown, secretary of the club. Each player list can obtain fifteen players and no changes can be made after the start of the tournament. Two games per night will be staged.

Murchison Baseball Club Lost to Locals

Corsicana Dr. Pepper baseball club, undefeated this season, continued its string of victories Sunday as it defeated 4-1 the Murchison Independent crew at Murchison. A three-run uprising in the sixth stanza broke a deadlock and proved the margin of victory.

MRS. WILLIAM GEORGE BURNETT, JR.
Miss Jeanette Foster, daughter of Mr. and Mrs. Cecil Franklin Foster, 914 North Beaton street, became the bride of William George Burnett, Jr., son of Mr. and Mrs. William George Burnett of Dallas, Sunday evening at 6:30 o'clock in a pretty ceremony in the First Christian church, the Rev. C. Duke Payne, the pastor, officiating at the single ring ceremony. After a wedding trip to New Orleans, Mr. and Mrs. Burnett will be at home in Gainesville until August 1, when they will reside in Fort Bevoir, Va.

R. H. HARRIS DIED SUDDENLY SATURDAY NIGHT AT EMHOUSE

Robert H. Harris, aged 58 years, died suddenly Saturday night at 11 o'clock at his home in Emhouse. A short funeral service was held Sunday at noon at the family home and another service was held at 4 o'clock where burial was made. The rites at Emhouse were conducted by Rev. W. B. Morton, pastor of the Methodist Church at Emhouse.

Surviving are his wife of Emhouse; three children, Mrs. Ed L. Anderson, Weimer; Lockie Harris and Ray Harris, both of Emhouse; two grandchildren, and three sisters, Mrs. J. E. Burney, North Zulch; Mrs. Chas. Kruger and Mrs. Bud Harris, both of Houston.

JAMES F. DICKSON DIED ON SATURDAY AT EMHOUSE HOME

James F. Dickson, aged 76 years, died at his home in Emhouse Saturday afternoon at 4 o'clock.

Funeral services were held Sunday afternoon at 1:30 o'clock from the Emhouse Methodist church with burial in the Pattison cemetery. The rites were conducted by Rev. W. B. Morton, pastor.

Surviving are his wife of Emhouse; three children, Joel Dickson, Arlington; Mrs. H. C. DeRusha, Barry, and Frank Dickson, Emhouse, and three grandchildren. Pallbearers were C. L. Dickson, C. M. Dickson, George Dickson, Mitchell Dickson, J. O. Freeman and J. W. Tallant.

Corley Funeral Home directed the arrangements.

Struck By Automobile.
George Bruce Gillen, 8, of Angus, was given emergency treatment at the P. and S. Hospital Friday afternoon for a severe scalp wound reportedly received when he was struck by an automobile near his home.

He was removed to his home following treatment.

VOTERS OF KIMBLE COUNTY FAIL BREAK POLITICAL JINK

JUNCTION, Texas, June 30.—(AP)—The folks of Kimble County did their best, but they couldn't break the jinx that has clutched lieutenant governors of Texas since 1917. Coke Stevenson is from Kimble and he is lieutenant governor. If Governor W. Lee O'Daniel had been elected—and the latest figures of the Texas Election Bureau indicate he wasn't—Stevenson would have advanced to the governor's chair.

The folks of Kimble County gave nearly half of their vote to O'Daniel, but Stevenson apparently is still lieutenant governor. The vote was O'Daniel 415, Johnson 278, Mann 101, Dies 83.

Not since William P. Hobby rose from that position to governor when James E. Ferguson was impeached in 1917 has a lieutenant governor advanced politically in Texas.

In 1924 T. Whit Davidson, then lieutenant governor, and Lynch Davidson, his predecessor, ran for governor. Mrs. Miriam A. Ferguson beat them both.

Barry Miller in 1930 ran sixth in a field of eleven for governor. Edgar Witt of Waco lost the same race in 1934. Walter Woodul later tried to become attorney general, but he failed too.

Traveler Suffered Heart Attack Here

R. B. Brown was given emergency treatment at the P. and S. Hospital for a heart attack suffered early Sunday morning at the Butner-Calhoun service station on Highway 75.

Brown was reported en route to Dallas from Houston when he was stricken. He was dismissed later in the morning. Sutherland-McCammon ambulance answered the call.

FIELD SEEDS

JOHN P. FREEMAN DIED FROM HEART ATTACK AT EMHOUSE

John P. Freeman, aged 70 years, prominent resident of Emhouse, died at his home about midnight Sunday night following a heart attack of Saturday.

Funeral services were held Monday afternoon at 3 o'clock from the Emhouse Baptist church. Burial was in the Palmer cemetery. The rites were conducted by Rev. Jack Goff and Rev. W. O. Patterson, Baptist ministers.

Prior to moving to Emhouse 18 years ago, Mr. Freeman had resided north of Ennis.

Surviving are his wife of Emhouse, six children, Clyde and Obie Freeman, both of Ennis; Jim Freeman, Emhouse; Mrs. B. J. Ranton, Ferris; Mrs. Jess Goodman, Byrd, and Mrs. R. O. Smith, Palmer, and 16 grandchildren. Pallbearers were Dick Dixon, B. Ray, C. B. Turner, Frank Seely, John Manning and Claude Dixon. Corley Funeral Home directed arrangements.

Rainfall Here Was More Than Inch

Rainfall here for the 24 hour period ending at 1 o'clock Friday morning was 1.1 inches. The rain was not as heavy in some sections as it was here.

There will be some delay in farm work, but most of the farmers were catching up and the rain in most instances will be beneficial.

DIXIE OWEN WAS BURIED SUNDAY IN PATTISON CEMETERY

Funeral services for Dixie Owen, aged 29 years, who died in a Silver City, N. M., hospital Friday morning from gunshot wounds received Thursday, were held Sunday afternoon at 3 o'clock from the Corley chapel. Burial was in the Pattison cemetery near Emhouse.

The rites were conducted by Rev. Van P. Morrison, Methodist minister of Newcastle, former pastor of the Emhouse Methodist church. Surviving are his parents, Mr. and Mrs. G. G. Owen, Emhouse; five brothers, Clyde Owen, Emhouse; Sam Owen, Waxahachie; George Owen, Emhouse; Bob Owen, California, and Alvin Owen, Waxahachie; four sisters, Miss Clara Belle Owen, Mrs. Charlie Johnson, Mrs. O. L. Elkins and Mrs. Swint Huling, all of Emhouse, and other relatives.

Pallbearers were Clifton Johnson, Artie Davis, Dave McNeill, George Richards, W. C. O'Neill and I. E. Perry.

MANY OF NEWEST SELECTIVE SERVICE MEN BE CALLED 1941

APPROXIMATELY 50,000 MEN
PER MONTH EXPECTED BE
CALLED REMAINDER YEAR

WASHINGTON, June 30.—(AP)—The army probably will call up about 50,000 selective service trainees a month during the last half of this year, and a big percentage of them will come from the ranks of the 750,000 men of 21 who must register tomorrow.

Selective service headquarters, it was learned today, has worked out a system of interlocking the newest registrants in the list of those who enrolled last October. The effect will be to make many of tomorrow's young registrants quickly available for military service—a welcome result to the army high command which regards men just turned 21 as ideal soldiering material.

As final arrangements were completed for the second selective service registration, selectees already in the training received a good official indication that their tour of service would not be extended beyond the year fixed by law.

The temporary White House at Hyde Park, N. Y., released an executive order by President Roosevelt yesterday, which fixed 900,000 as the number of trainees to be inducted into the land forces in the fiscal year which starts tomorrow. The number is the statutory maximum.

William H. Hassett, the president's secretary, said that the army would call on the selective service manpower pool for new trainees at those now in service finished their year's duty.

Asked whether this was "absolute evidence" that men now serving would be released when they finish their year, Hassett replied with an unqualified "yes," after adding he added he was not a military lawyer.

DEFENSE

(Continued From Page One.)

by Governor Murray D. Van Wagoner of Michigan at the same session.

With co-operative action as their keynote, Governor Van Wagoner, Governor Herbert H. Brown of New York and Governor Frank M. Dixon of Alabama called upon the governors of other states to form "business as usual" and to make for swift settlement of industrial-labor disputes so that America's capacity for defense production may match Hitler's mechanical forces. All spoke at the three-day annual governors' conference.

"The office of production management," declared Van Wagoner, "now has convinced the army and navy that there is no need to fear that industry will be confused if it is swamped with advance orders. The larger the backlog of unfilled contracts, the better. American industry can plan and carry out a long-range program of subcontracting for speedy filling of orders."

PADEREWSKI

(Continued From Page One.)

the body after death, the heart of Paderewski will be removed here and ultimately placed somewhere in Poland other than the place of the body's entombment. The final disposition of the body of Poland will depend upon the Polish government now ruling in exile, friends of the great musician said, but after the war his heart probably will be kept in the cathedral at Warsaw where Chopin's heart was placed.

Tentative funeral arrangements called for services at 9 a. m. (EST) at St. Patrick's Cathedral on Thursday.

Paderewski made his first American tour in 1891, and in 1938 tours he never returned home with less than a profit of \$250,000.

It has been estimated that his fingers earned him \$5,000,000 in America.

In 1919 he was made president

FIRST ALL-WELDED PASSENGER SHIP LAUNCHED

RUSSIANS

(Continued From Page One)

Minsk and Luck, the repulse of two attempted short-cut drives toward Leningrad and aerial transport of a panzer force.

The last 24 hours brought an extension of the active front through a German attack across the extreme north of the Finnish border toward the Russian Arctic port of Murmansk and repeated assaults on Russia's Karelian Isthmus frontier with Finland, north of Leningrad.

The enemy—either or both German and Finnish troops—made repeated attacks yesterday to cross the Karelian Isthmus border but each time was thrown back by fierce counter-fire and counter-attacks, suffering heavy losses, said today's Russian communique.

In the Kakislmi (Kekscholm) sector, on Lake Ladoga at the eastern edge of the Isthmus there were three attacks by two infantry battalions. When the last of these was rolled back the communique said, 300 invaders lay dead.

On the eastern edge of the Isthmus, near Viipuri, the enemy attempted a naval landing but the Red army reported, the landing force was wiped out in its disembarkation. Viipuri and Kakislmi are both about 70 miles from the great war center, Leningrad, Viipuri to the northwest and Kakislmi to the north.

The Russian report was short on detail of the battle for Murmansk, the Dvinsk-pointed Baltic drive toward Riga or Leningrad, and fighting in the Polish-White Russian sector where Minsk and a foothold in old Russia is at stake and in the Luck region of Poland where the Germans are pointed toward the Ukraine.

In the Minsk sector the Germans were almost one-third of the way to Moscow, still more than 400 miles away, and in the Dvinsk sector of Latvia they were a third of the way to Leningrad, more than 300 miles from Dvinsk.

"During last night our troops continued stubborn fighting in the Murmansk, Dvinsk, Minsk and Luck sectors," the communique said simply. "In other sectors of the front night reconnaissance, frequent troop regroupings and artillery duels took place."

of Poland but resigned the same year because of political unrest.

News of County Home Demonstration Clubs

Brushy Prairie Club

"Do not pull any pods off the stalks of beans, peas, or flowers that is intended for seed for the following year," Mrs. R. E. Turley, president of the Brushy Prairie Home Demonstration Club said at a meeting with Miss Marie Smith June 27.

To pull the first crop tends to cause the next crop to be of less value as seeds, she continued. Save the small, too little to use, Irish potatoes for seed potatoes, she stated, as they produce from two to three weeks earlier than those bought.

Mrs. A. J. Smith gave a discussion on the Cotton Stamp Program.

The club decided that each member should bring five cents to the next meeting in order that the exhibit committee might get the material needed for the exhibit at the County Fair.

Cake and iced pop were served the five members one new member, Mrs. W. H. Carrell, two visitors, Mrs. Jewel Hargrove and Miss Sue Hank.

The meeting adjourned to meet with Mrs. Earl Ritter July 11.

Reporter.

Oak Valley Club.

The prepare fruits and vegetables to be put in a frozen locker, just blanch them like you prepare them to can, Mrs. L. S. Keen told the Oak Valley Home Demonstration Club in the home of Mrs. J. D. McManus, June 26. The foods are placed in a waxed container, and placed in the frozen locker, and when the food is taken out, it is just as good as when it was placed in the locker.

Teh use of a frozen locker is economical in many ways, Mrs. Keen continued. Food can be gathered or bought when in season and stored for future use when the price is higher. It is economical to buy in large quantities also. Mrs. Keen gave the club a locker to use six months which was greatly appreciated by all the members.

A timely topic on "Trim Your Hedge" was given by Mrs. Lloyd Averitt. The hedge should be trimmed at the time it is set out. It should be set out ten to 18 inches apart, she said.

Mrs. W. N. McNeill gave a timely topic on tufted bedsprings. She told a very interesting story about the beginning of tufted bedsprings.

During the recreation hour, Mrs. Ferrell led a game on making words ending with ice. Mrs. A. S. Fenton won the prize. The club had a box from which each member received useful gifts. The members that did not bring a gift for the grab-box are requested to bring one to the next meeting.

During the social hour, the hostess served cheese lined smacks, marshmallow krispies, gundrops and iced lemonade to 15 members and three visitors, Mrs. L. S. Keen, Frances and LaVerne Harris. The next meeting will be with Mrs. P. P. McKinnis, July 10. Each member is to answer the roll with a one-minute talk on some phase of family relations—Reporter.

STRIKES

(Continued From Page One.)

rate of pay for the plant's 650 employees was not disclosed.

CIO's United Automobile Workers at the White Motor company, Cleveland, decided yesterday to take a strike vote Wednesday. This action was voted by 2,500 men after Richard E. Reisinger, union regional director, informed them at a mass meeting the company had turned down a request for a general wage increase of 10 cents an hour. Present wage rates were not made known.

The company is making trucks and "halftracs"—similar to scouting cars—for the army.

THE WAR TODAY

(Continued From Page One.)

German figures for armored vehicles destroyed—a total of 2,233 to Sunday—Betray the fury of the Soviet counter-blow, which must have carried the Red army tank units well behind the advanced German lines. These figures are much more likely to be accurate than those on airplanes.

The success of the Soviet counter-attacks is yet problematical. Moscow insists that the panzer divisions which have knifed into the Minsk area, on the Napoleon road to Moscow, are left without support and in a desperate position. On the other hand, the German claim of entrapment of the two Soviet armies, southwest of Minsk, receives some support in London.

Notice

There will be an Ice Cream Supper and a skating party at the Bryan School, Friday night, July 4th. The proceeds will go for the benefit of a hot lunch project for the school.

ELECTION

(Continued From Page One)

32-year-old friend of the President, Lyndon Johnson, was all but elected Texas' next U. S. senator. As counting of Saturday's ballots was resumed today, Rep. Johnson, who campaigned on a "Roosevelt and unity" platform had a lead of 4,087 ballots over the 51-year-old O'Daniel who twice became Texas' governor to the tune of hill-billy music, homey poetry and a smooth radio voice.

The totals of the four major candidates in the first report of the Texas Election Bureau at 10:30 (C.S.T.) today were: 124 out of 254 counties complete with about 96 per cent of the vote in Johnson 167,669; O'Daniel 163,582; Attorney General Gerald C. Mann, 135,379; and Rep. Martin Dies 77,964. The total vote counted was 644,584. The Election Bureau figures 15,000 to 20,000 votes still out. A plurality only was required in this election.

Johnson's impending victory came in competition with three veterans who had never lost a race before.

Six-foot-three and only 24, he went to Washington eight years ago as secretary to Rep. Richard Kleberg, one of the owners of the great King Ranch in south Texas. President Roosevelt named him National Youth Administrator for Texas. In 1938 Johnson was elected to fill the seat vacated by the death of Rep. James F. Buchanan.

In that time he grew close to the administration, and in this election he claimed the specific benediction of President Roosevelt. On election eve the President telegraphically rebuked O'Daniel's suggestion of a separate Texas military organization as "preposterous."

Johnson Statement.

In a statement at Austin Sunday Johnson said he can't say who voted for him did so because they believed he was the candidate who would work best with the President, adding:

"I know the votes are not all in. My campaign was made on a program of Roosevelt and unity—a program that I sincerely believe in. In these critical times, we so much need unity, x x x"

"We must all stand united behind our chosen leadership. Whether I am to be your senator or still your congressman, and before I definitely know the result, I pledge to the people of Texas to work with the men who until yesterday were my opponents."

Meanwhile, reports from many cities revealed that failure to observe the mechanics of voting caused the voting of many ballots, running as high as 30 per cent of those cast in some boxes.

Many voters, if general over the state, would account partly for the lower total vote than the nearly-a-million that some had forecast.

Some of the ballots were thrown out because voters failed to scratch out every candidate on the ballot except the man they wished to vote for.

Charles Carroll, secretary of the Jefferson county democratic committee, said the mutilated ballots in that county ran from 10 to 30 per cent in the 47 boxes.

Reports of ballots thrown out included: 10 per cent of the 5,857 votes cast in Wichita county, 11 per cent of the total in Smith county; 500 out of 18,000 in Tarrant county; 318 were not counted in Galveston county; 6.8 per cent of the total in Travis county.

SPECIAL SERMON SUBJECT DISCUSSED AT FIRST BAPTIST

"Where God Completes His Rain-bow" was the sermon subject of Dr. E. T. Miller, pastor of the First Baptist Church, Sunday morning, Harold Blankenship had charge of the music and the ladies' choir composed of Madames Gladys Petrus, J. R. Howell, P. A. Williamson, and Roy Bristow sang "Speak to My Heart Lord Jesus." One joined by letter at the close of the service.

The subject for the evening was "The Necessity for Immortality." A mixed quartet composed of Harold Blankenship, Mrs. Gladys Petrus, Mrs. Roy Bristow and Mrs. M. A. Spurgeon sang "Does Jesus Care."

All departments of the Sunday school had good programs and there was a total attendance of 529.

A missionary pageant, "Speeding the Light," was given during the opening assembly of the Training Union last evening, with some twelve members taking part.

The city council of YWA's will meet at the First Baptist Church at 7:30 this evening for their quarterly meeting, the Northside Baptist Church having charge of the program.

The regular weekly meeting of the superintendents of the various departments of the Sunday school will be held Wednesday evening

GOOD CHARACTER AND COMPETENCE ASSETS FOREIGN AP MEN

KENT COOPER, GENERAL
MANAGER AP, TELLS OF
FOREIGN CORRESPONDENTS

NEW YORK, June 30.—(AP)—Kent Cooper, general manager of the Associated Press, places good character and professional competence at the top of the list of qualifications for a foreign correspondent.

Speaking on "Behind the Mike" a Sunday NBC blue network program which dramatized excerpts of the book "A Foreign Story" by Oliver Gramling, Cooper explained the selection of foreign correspondents for the AP and outlined some of the difficulties of news transmission from foreign lands.

Those selected from the hundreds of trained newspapermen working in Associated Press bureaus throughout the United States," Cooper said, "they are not only because they are asked for such service, but because their education and experience qualify them."

Cooper explained that transmission of news across a problem and a constantly acute one in war because of frequently changing conditions.

He said that many regarded wirephoto, the Associated Press newsphoto service in which pictures are delivered to members throughout the United States by wire just as news stories are, as the outstanding journalistic development of recent years. "Whatever the case," Cooper said, "AP member newsmen intend to continue to utilize every means as their disposal to see that the Associated Press does its job—reporting in word and picture, without bias, the news of the entire world."

WAR SUFFERINGS GOD'S PUNISHMENT FOR SINS, SAYS POPE

VATICAN CITY, June 30.—(AP)—In a Sunday message broadcast to the world, Pope Pius XII attributed the sufferings of war to Divine Providence punishing the sins of mankind, but said the "fierce intensity of the trial" would be followed by a new era of peace and hope.

The Holy Father made no specific mention of the Russian-German conflict, but spoke of the sufferings from war at the fighting front and behind the lines— from bombs, machine-gun bullets, blockade and counter-blockade, and from the inhuman and degrading cause of religious faith.

The Pope advised Catholics to trust in God and said that means "believing that God can permit at times here below for some time preeminence of evil and of impiety, the lamentable obscuring of a sense of justice, the violation of law, the tormenting of innocent, peaceful, undefended, helpless men."

WORSHIPFUL SERVICES SUNDAY AT ELEVENTH AVENUE METHODIST

ed and the Rev. A. A. Peacock, stirring message. The trouble with many people today is they have drifted into a form of worship that is neither more or less, a dull form. The church must have simple, heartfelt, personal religion to ever hope to reach souls for the kingdom of God.

The Young People met in the regular evening service with an inspirational program. Young people do not forget the Youth Caravan at Eleventh Avenue, July 20.

The evening worship was enjoyed by a good attendance in the singing of old hymns and a message by the Rev. Mr. Peacock.

The Women's Society of Christian Service met in a pamphlet program at the church at 3 o'clock. By the way, if you did not go during the week with one of the ladies from the Society, you missed lots of fun.

The Wednesday evening services begin at 8 o'clock with the Bible lesson by the Rev. Peacock. Choir rehearsal follows immediately after the lesson.

Enjoy the services at Eleventh Avenue Methodists and take part so that you know the church will be a success. Reporter.

Navarro County WMU Met June 24th Rural Shade Church

The Navarro County Women's Missionary Union met with the Rural Shade Baptist Church, June 24, with the president, Mrs. Frank Wilson, presiding. Nine unions were represented.

The program of each union presented the program. The Orphan's Home quartet of Waxahatchie sang several songs. Rev. E. O. Stewart of Corsicana, preached the 4 o'clock sermon. His text was "Launching Out on the Promises of God."

The next meeting will be the second Tuesday in September at Fairview Baptist Church.

at 7 o'clock. The teachers and mothers will meet at 7:45, prayer meeting will be held at 7:45 and choir rehearsal will follow the prayer service.

BOARD OF REVIEW, COURT OF HONOR BY SCOUTS THIS WEEK

The Navarro District Boy Scout board of review and Court of Honor will be held this week in Corsicana. The Board of Review will be conducted by Karl Blackwell, chairman, at the Y. M. C. A. Tuesday evening, July 1st, at 7:30. The Court of Honor will be held at the North Corsicana Methodist Church, Thursday evening at 8:00 o'clock. This will be the last Court of Honor held before school opens in the fall and many Scouts are expected to advance in rank.

Forty-three Corsicana Scouts and their leaders returned home yesterday after spending a week of fun at Camp Wisdom. Evening reported having had a great time and many of the boys passed some of their Scouting requirements for advancement while in camp.

Another group of over 60 Scouts from Corsicana have made arrangements to go to Camp Wisdom for the week of July 13th. The Scout Troop from Rice will be included in this group.

New Red Cross First Aid Pupils Called To Meet 8:30 Tuesday

Pupils of the American Red Cross standard first aid course being taught by Mrs. Matt Sandness at the Puller Deauville school, on East Collin street, next door to the sewing and knitting headquarters of the local Red Cross chapter, are reminded to be on hand promptly at 8:30 o'clock Tuesday morning.

This will be the last opportunity for new pupils to enroll in this class, so those who are interested are urged to take notice.

Judge Howell will make the Fourth of July talk at the patriotic meeting at the regular Tuesday meeting of the Lions Club at the Navarro Hotel. The program continued for Tuesday is composed of W. H. Norwood and Boyce Martin.

Eleventh Avenue Methodists school began with a good attendance and growing interest. The church services were well attended.

Rousing Tribute To Will Rogers Given By Hi-way Delegates

TUCUMCARI, N. M., June 30.—(AP)—Delegates from eight states met today for the annual meeting of the U. S. 66 Will Rogers Highway Association and a rousing tribute to the cowboy-humorist for whom the route was named.

As the vanguard of 300 expected delegates arrived, Amarillo, Texas, and Williams, Ariz., began efforts to get next year's convention.

Tucumcari welcomed the visitors in western tempo. Sheriff's posmen enforced a dictum of cowboy togethery for the host citizens. Together with the New Mexican mounted patrol, floats, horsemen and posmen, the citizens this afternoon will join in an annual parade in tribute to Will Rogers.

Governor John E. Miles of New Mexico was to lead the procession. On the program for the one day convention are addresses by Governor Miles and C. M. Bartlett, Miami, Okla.

Business includes selection of a president to succeed M. L. Woodward of Gallup, and vice presidents for states through which the highway passes—Arizona, New Mexico, Texas, Oklahoma, Kansas, Missouri, Illinois and California.

CARD OF THANKS.

We wish to take this means of expressing our sincere gratitude to our many friends who were so kind to us in the recent bereavement of our husband and father. We are also very appreciative for the many beautiful floral offerings. May God's richest blessings be upon you as our humble prayer.

THE BIG PUSH

John D. Biggers, director of the production division of the OPM, reports considerable progress in armament. The monthly output of airplanes, he says, has been trebled, the output of tanks increased 600 per cent. Various things of less importance are proceeding just as well. But there is no smug contentment among Mr. Biggers and his associates.

"I want to make it just as clear as possible," he says, "that we cannot for one moment be satisfied. One of the most dangerous things that could happen to this country today would be for our people, in any walk of life, to get the impression that the defense program is rolling along—that it will take care of itself."

This is the biggest and most important defense job ever tackled in human history. And every step of it will be up-hill work.

"RADIO LOCATION"

That "secret instrument" with which the British defenders have been supposed to get accurate warnings of approaching war planes turns out to be a reality, after all. According to the statements of Sir Philip Joubert, British air chief marshal, it has been in operation for many months and is credited with having saved England. It not only indicates when the enemy is approaching, but tells from what quarter and how soon he will arrive.

It is of special interest to be told that Americans qualified for "radio location" work will be welcomed from now on, as part of a much larger force of experts wanted for such work.

It is obviously most valuable for protection at night. Lord Beaverbrook describes the radio locator as "a radio that finds an enemy in the darkness, that seeks him through the clouds, that sends an avenging fighter to the place where he will meet the lurking bomber and bring him to destruction."

But that is not all. Many peaceful uses are forecast for this wonderful instrument. It can save ships at sea, for example, reducing the peril of shipwrecks. It is easy to see how keen young Americans will welcome a chance to help in the practical application of such a wonderful instrument.

A COLLEGE CEREMONY

It is a matter of interest in two great countries when the leader of the British Empire, at the most critical moment in Britain's history, receives a degree from an American university in the city where his mother was born. This ceremony links in sentiment two nations already joined in a struggle to save modern civilization.

The address of President Valentine and the response of Mr. Churchill were impressive.

"No need for us to offer comfort," said the college president, "for your bluff words cheer England and cheer us. No need to do you honor, for even time hastens to write high your name. No need to cry 'courage' to the sons of England. When Marlborough goes off to war, no one knows when he will come back, but we know he will not give up. Come the three quarters of the world in arms, and England shall shock them."

From Shakespeare the college president turned to Lincoln, says: "We must dedicate ourselves to the

JUST FOLKS

WORLD WITHOUT BEAUTY.

This life were very dull indeed
Without a little garden seed.

Suppose the ground were wholly
No grass, no thistle growing there,

No little plot to dig and hoe,
No roses red and pink to grow.

Suppose this world held nothing
More
Than brick and steel and shop
And store

And all men ever saw or knew
Were metals cold to touch and view

And there were neither field nor
spot
For daisy and forget-me-not,

Just smoke and dust and foundry
clay
And clash of steel from day to day,

With nothing else to hear or see
How horrible man's life would be.

great task that this government by the people shall not perish from the earth."

Then Churchill, in his response, held his head high and spoke of duty and unity. "Men and women are learning," he said, "that they are spirits, not animals. We should all be proud to have been born at such a time, to permit us to do the service required. We stand the faithful guardians of the rights and dearest hopes of a dozen states and nations now gripped in servitude. Whatever happens, we shall endure to the end. United we stand, divided we fall. Divided, the Dark Ages shall return; united, we can guide and save the world."

It is a promise and a prophecy spoken at a very solemn moment in the history of both nations.

WE GET OUR NERVE BACK

America is rapidly climbing out of its defeatism and dependency, as we suddenly realize what has been accomplished in preparedness and armament. We seem actually to have done about as much in one year as bragging Hitler and his Nazis did in six or eight years. Foreign visitors and Americans returning from abroad are amazed at the progress of our armament. And they are less amazed, as we ourselves may well be, at the resurgence of our national spirit.

This has happened in spite of our strikes, our troubles with unconstructed aliens, our politics and our spiritual slump. We settled down to a huge job of rearmament, and gosh, how we dreaded it! That seems almost as if it were yesterday. We had lost confidence in our own powers, and many despaired of regaining it. Now all at once we wake up and rub our eyes and find that we seem to have the main job licked.

We are really getting a lot of war supplies to England, and accumulating a lot for ourselves, and will soon be set to "knock the world's eye out." Planes are pouring into the air and ships are sliding down the ways in endless processions. A new army is nearly trained. We can see possible air superiority for the Allies by the end of the year. We have suppressed alien and treasonable activity in this country. We are nearly ready to do whatever has to be done.

Meanwhile, it is pleasant to report, Hitler is "way behind in his schedule. Doubtless there are a lot of troubles ahead for us, but we guess we can take them.

FARM ACCIDENTS.

To the city dweller a farm seems a peaceful and safe place. Perhaps it is, when compared with the same area in a crowded city. But the toll of preventable accidents on farms is nearly 17,000 lives a year, many injuries, and \$1 out of every \$10 a farmer earns. Such accidents cost the nation \$800,000,000 a year, twice as much as soil erosion.

The Farm Security Administration and the National Safety Council are now studying the problem together and working on a four-point program to improve the situation. They plan to provide bulletins and training courses to teach the causes of accidents and ways to avoid them. Safe working condi-

PALS**Five Injured In Auto Accident Early Saturday**

Five young women were injured, none seriously, in an automobile accident near the Chambers Creek bridge on north Highway 16 about 3 o'clock Saturday morning.

The injured, all of Dallas, included Mrs. M. P. Wilson, 24, bruises on the arm; Virginia Lee Higgins, 21, minor back and ankle cuts; Hile Alken, 18, lacerations on the right leg and arm; Ulna Roy Freeman, 22, bruises and cuts; and Alma Pasley, 34, abrasions on back, elbow and arms.

The automobile in which they were riding was reported to have accidentally left the pavement and overturned several times. They were brought to the P. and S. Hospital in a private car and dismissed later in the morning.

AMERICAN LEGION WILL CO-OPERATE IN BIG CELEBRATION

Co-operation of the American Legion with other civic and patriotic organizations in staging a huge patriotic celebration here Tuesday night, July 22, was pledged at a meeting of the local post Thursday night at Legion Hall.

C. A. Vauhn was appointed to head a special committee to work with the other groups in completing the arrangements. The American Legion program will be conducted on a county-wide basis and is scheduled to be held at Tiger Field. An outstanding speaker will be secured for the occasion.

Joe Daniel, Jr., appeared before the Legionaires and discussed the highlights of the American Legion Boys' State held recently in Austin. Daniel was official representative of the local post. Boys' State is a state-wide meeting of the Sons of the American Legion at which governmental affairs are discussed in detail.

Appointment of a nominating committee to select new officers for the ensuing year was made by Post Commander C. E. McWilliams. Composing the committee are Joe Daniel, Andrew Steele and Judge Wayne R. Howell.

Children of World War veterans have been requested by the Legionaires to meet at the Legion Hall Tuesday night, July 2, at 7 o'clock to form Red Cross classes.

It was pointed out that a class of 14 years of age are eligible to participate.

Local NYA Observed Sixth Birthday Of Activity Thursday

The local NYA home observed the sixth birthday of the NYA organization Thursday, June 26, by holding an informal reception throughout the day, and a dance in the evening for friends of the girls.

The regular activities were carried on throughout the day. In order that visitors might see what is being accomplished and quite a number of interested people called.

About 25 couples were present for the dance in the evening and punch and cookies were served throughout the hours.

W. M. SLOANE DIED AT PICKETT HOME; BURIAL ON FRIDAY

Will M. Sloane, aged 79 years, life-long resident of the Pickett community, died at the family home Thursday afternoon.

Funeral services were held Friday afternoon at 3:30 o'clock from the Corley chapel. Burial was in the Hamilton cemetery. The rites were conducted by Rev. W. T. Allison, Baptist minister.

Surviving are his wife, three sons, W. N. Sloane, J. E. Sloane and R. F. Sloane, all of Corsicana; a brother, Robert Petty, Corsicana; two sisters, Mrs. Maudie Pryor, Dallas, and Mrs. Minnie Lackey, Dallas; and a number of grandchildren.

Palbearers were Walter Beaman, Eldon Skinner, Malcolm Roman, Homer Crawford, Tim Anderson and Audrey Brennan.

Goings and Comings Of Fairfield Folk And Their Visitors

FAIRFIELD, June 27.—(Spl.)—J. M. Terrill, J. T. Drumwright, W. D. Suttle, T. L. Johnson and J. W. Richards, attended a barbecue at Waco Wednesday.

Mr. and Mrs. Silas Black of Lorraine are guests of Mr. and Mrs. Newt Robertson this week.

Aubrey Childs spent last week in Dallas.

Mrs. Frank Willard of Ruston, La., visited Mr. and Mrs. John Baker the past weekend.

Mr. and Mrs. Newt Robertson, Mrs. Harold Willford, Mrs. J. R. Parker, and Mrs. Lottie Emmons visited at Bullard last week.

Mr. and Mrs. Ector Chandler of Dallas visited Mr. and Mrs. P. H. Chandler Sunday.

Aky Stud made a business trip to Dallas Tuesday.

Mrs. James Radford, Mrs. C. H. Richardson and daughter Althalia visited relatives in Mexico Sunday.

Mrs. Tol Sparks and son, John, and Robert visited relatives in Ennis last weekend.

J. L. Childs of Teague visited his daughter, Mrs. L. C. Kirgan, here Tuesday.

Mr. and Mrs. T. A. McInven spent Sunday in Dallas.

Miss Shelia Carlisle is attending a convention in College Station this week.

Frederick Hill made a business trip to Dallas Friday.

Mr. and Mrs. W. K. Bonner spent last week-end in Brownwood and were accompanied home by their son Weldon, for a visit.

Mr. and Mrs. Clyde Donaldson and son, Wayne, and Mrs. Nellie Donaldson, visited relatives in Kilgore.

Mrs. Jim Wortham of Dallas visited her parents, Mr. and Mrs. Babe Weaver Sunday.

Mr. and Mrs. Boyd Loper were Palestine visitors Friday.

Mr. and Mrs. J. F. Aultman and children, and Mr. and Mrs. G. Blount and son, Wayne, and Miss Fannie Ruth Blount, visited relatives in Palestine Sunday.

Ray and Jay Childs spent last Friday in Dallas.

Mrs. Earl Harrison is visiting in Waco this week.

Mr. and Mrs. Rankin Gelpin are spending their vacation in South Texas.

Mrs. Ruby Hampton and son, Tommy of Lubbock have been visiting Mr. and Mrs. E. J. Gilbert.

Rev. W. R. Miller and Pete Goolsby were in Palestine Friday.

Dr. J. F. Bradley of Houston, visited his brother, R. H. Bradley here Sunday.

Mr. and Mrs. Clay Burckhardt and son were Mexico visitors Sunday.

Mr. and Mrs. Charles Jones and daughters are visiting her parents Mr. and Mrs. R. C. Kenton.

Enter Guilty Plea And Sentenced To Five Years Prison

Jack Graham, 19, and J. P. Ingram, 18, Ellis county youths, pleaded guilty to robbery indictments before District Judge Wayne R. Howell Friday morning and were sentenced to five years each in the penitentiary.

The youths were indicted by the grand jury Thursday in connection with the hijacking of J. H. Ragland, Kerens filling station attendant, at an early hour Wednesday morning by two armed men. The men were arrested later in the day at Athens after bloodhounds from the Eastham prison farm had been summoned and had been placed on the trail from an abandoned stolen automobile several miles from Athens, officers reported.

Officers from four counties were engaged in the manhunt before the apprehension of the pair.

Charges of robbery of a cafe at Streetman, Freestone county, and burglary and auto theft complaints in Ellis county, local officers revealed.

Miss Elsie Gay And Billy C. Hoffman Were Wed Saturday

Miss Elsie Gay, daughter of Edward Gay of Mildred, became the bride of Billy Clarence Hoffman, son of Mr. and Mrs. J. W. Hoffman, Saturday evening at 8 o'clock. The wedding took place in the parsonage of the Central Methodist Church where the double ceremony was read by the pastor, Rev. Ross G. Smith.

Mr. and Mrs. Hoffman will be at home to friends at 1110 West Seventh Avenue.

Those present for the wedding were Edward Gay, James E. Gay, Jimmy Dale Gay, Mr. and Mrs. Kenneth Gay of Mildred, Mr. and Mrs. Sam Hoffman, Mr. and Mrs. W. F. Hoffman, Jr., Miss Josephine Hoffman, Robert Edward Hoffman of Corsicana, Miss Jessica Jones of Dallas, and Mr. and Mrs. Lloyd Lewis of Purdon.

Sue Nell Chambers Weds S. J. Howell Here On June 22

Announcement has been made here of the marriage of Miss Sue Nell Chambers, daughter of Mr. and Mrs. J. T. Chambers of Kerens to S. J. Howell, son of Mr. and Mrs. S. J. Howell of Oak Valley.

The wedding was solemnized at the home of the Rev. A. E. Walker, pastor of the Church of Christ here at noon on June 22.

Mr. and Mrs. Howell are making their home in Corsicana. Both are members of old Navarro county families and the marriage is of interest to their many friends.

Revival

Church of Christ, Dawson, July 2 to July 13. Services daily to 11 a. m. and 8:15 p. m. T. B. Thompson of Tyler, Texas, will do the preaching. The public is invited to hear him.

HIGHWAY ENGINEERS STUDY LOW BIDS ON SEVERAL PROJECTS

AUSTIN, June 28.—(AP)—State highway commission engineers today studied low bids submitted by construction companies on 25 highway improvement projects. Among low bidders and their figures, tabulated by the commission yesterday, were, by counties: Morris and Cass—3.2 miles concrete pavement on U. S. 67 from Naples to 1 mile west of Sulphur river; Geo. Kies, Inc., Austin, \$82,741.00.

Angelina and Polk—Grading, small drainage structures and pavement on U. S. 59 at Necies river crossing south of Lufkin, R. C. Buckner, Jacksonville, \$150,459.98.

Van Zandt—9 miles soil asphalt and seal coat on state 19 from Canton to intersection with U. S. 80 west of Fruitvale; Luther Kay, Inc., Tyler, \$61,207.05.

Hill—7.1 miles grading, drainage structure, flexible base and double asphalt surfacing on State 171 from Malone to Hubbard, K. and S. Construction Company, Dallas, \$77,033.54.

MRS. JOE B. SIMS DIED IN OKLAHOMA; WAS BURIED EUREKA

Funeral services for Mrs. Joe B. Sims, age 73 years, who died in Ada, Okla., Friday morning at 9 o'clock, were held at Eureka Saturday afternoon at 3:30 o'clock.

Burial was in the Eureka cemetery. Rev. George G. Smith, pastor of the Eureka Methodist Church, conducted the services.

Mrs. Sims resided in the Eureka community about forty years before moving to Ada ten years ago.

Surviving are four sons, Joe A. Sims, Roane; H. O. Sims, Wink; Virgil Sims, Canton; Emory Sims, Ada, Okla.; five daughters, Mrs. C. R. Ellington, Tyler; Mrs. E. T. Singleton, Canton; Mrs. Ruth Langston, Edmond, Okla.; Mrs. Clara Bevel, Ada, Okla.; Mrs. Lorena McDonald, Wink, and other relatives.

Grandsons were palbearers. L. B. Bonner and C. directed the arrangements.

Doris Aline Daniel Weds R. M. Hopwood At Athens June 20th

Mr. and Mrs. C. R. Daniel announced the marriage of their daughter, Doris Aline, to Roy M. Hopwood of Camp Bowie, Texas, on June 20.

The marriage took place at the home of the Rev. S. H. Maples and the First Baptist Church in Athens, Texas, Sunday.

Mr. and Mrs. E. M. Hopwood.

The reception rooms where the gifts were opened were decorated with a profusion of cut flowers.

Out of town guests who attended were Mrs. E. P. Love of Fort Worth, Mrs. E. B. Baltzgar of Dallas, Miss Ruth Parker of Dallas, Miss Mary Horn of Streetman, Mrs. Hugh Burleson of Streetman, Mrs. Roy Johnson, Miss Doris Bray, Miss Elizabeth Melton and Miss Sue Washam, all of Powell, Miss Daisy Manning, of Richmond and Mrs. Frank Kent of Eureka.

Died Thursday

United States Senator Andrew Jackson Houston, only surviving son of Gen. Sam Houston, Texas hero, recently named interim successor to the late Senator Morris Sheppard, died in a Baltimore hospital following an operation for a stomach ailment. He was 87 years old.

News of County Home Demonstration Clubs

Whites Chapel Club.
The Whites Chapel Home Demonstration Club met in the home of Mrs. J. W. Beaman's June 25, at 2 p. m., for a social meeting.

After a short business session, we had a grab box for the members who did not attend our last meeting. Several interesting games were played, and after the games, the club surprised one of our club members with a lovely shower.

Most everyone are planning to attend the rally, at the City Park July 1.

The hostess, Mrs. A. W. Burns, served sandwiches, cookies, potato chips and iced tea to twenty members and 15 visitors.

The next meeting will be in the home of Mrs. W. N. Hamilton. Miss Edith Hamilton as hostess.—Reporter.

Eleven Building Permits Issued For Total Sum \$12,605

Eleven building permits amounting to \$12,605 were issued from the office of the city engineer in the past week bringing construction totals within the corporate limits to \$100,914.25, and still approximately \$5,000 behind the totals for the corresponding date of last year.

The permits included:
Thelma Phillips, 1710 West Tenth avenue, add porch to house, \$35.

Tred Widmer, 120 West Second avenue, repair roof, \$175.

S. W. A. Redden, 1608 West Seventh avenue, repairs, \$200.

S. W. Burdine, 208 North Eleventh, repair fire damage, \$1,000.

C. C. Crowson, 404 North Twenty-third street, new 5 room frame residence, \$2650.

Eugene R. Stewart, 1822 Woodlawn, new 5 room residence, \$3,000.

Collin Street Bakery, 200-02 South Main street, repairs, \$250.

JAMES E. TAYLOR ANNOUNCES HE WILL SEEK SENATORSHIP

NAVARRO COUNTY REPRESENTATIVE BE CANDIDATE TO SUCCEED COTTEN

AUSTIN, June 30.—(AP)—Lieut. James E. Taylor of Kerens, of the national guard and a member of the house of representatives, announced Saturday that he would be a candidate for the state senate from the Sixth District, a post now held by Senator Cotten of Palestine, the senate's president pro tempore.

Taylor, 35, publisher of the Corsicana Democrat and former editor of the Kerens Tribune, was chairman of the subcommittee which drafted the \$22,000,000 omnibus tax bill to finance expanded old age pensions, aid to the blind, aid to dependent children and teacher retirement.

The soldier-lawmaker, who has divided his time between Camp Bowie and the legislature this session, has been active on all legislation touching newspapers and the publication laws as well as national defense measures.

Taylor is a native of San Marcos and a graduate of Baylor University. He is married and has a daughter.

He sponsored bills creating the Texas defense guard and the anti-violence in labor disputes. The house membership recently honored Taylor with a resolution naming him as a "war hero" and urged him to leave his mark on the pages of Texas history.

PRICE-FIXING

(Continued From Page One.)

bers expressed belief it would not be long delayed.

Another Big Supply Bill Is Approved

WASHINGTON, June 30.—(AP)—Driving to clean up last-minute appropriations before the fiscal year ends at midnight, the senate finally approved and sent to the White House today the \$1,195,935,780 supply bill for the labor department and the federal security agency.

The measure, representing a compromise between the senate and house, was \$26,957,242 under budget estimates but \$40,008,558 higher than last year's appropriation.

Although leaders expressed confidence that all appropriations measures could be sent to the White House by midnight, a pair of billion-dollar measures still were tied up because of a dispute between the house and senate over \$35,000,000.

The bills involved were the \$635,905,000 relief bill and the \$1,340,000,000 agriculture appropriation.

The argument revolved about whether congress should add \$35,000,000 to the relief bill for the disposal of surplus commodities, or whether the sum should be included in the farm bill.

Jackson Nomination Approved

WASHINGTON, June 30.—(AP)—The senate judiciary committee approved unanimously today the nomination of Attorney General Robert H. Jackson to be an associate justice of the supreme court.

The committee acted after Senator Tydings (D-Md) had testified that the attorney general was unfitted for service on the court "by character, philosophy and judicial temperament."

To Expand Helium Plant

WASHINGTON, June 30.—(AP)—An amendment to permit expansion of Helium production facilities at the Amarillo, Texas, plant of the Bureau of Mines was incorporated today into the second deficiency appropriation bill.

The Senate approved an addition to the measure (HR 5166), already passed by the House, to permit the Bureau of Mines to open construction materials on the open market, without receiving competitive bids. The House was expected to concur.

Bureau of Mines officials told the Senate appropriations committee they had found it impossible to obtain some materials by contract.

The officials asserted that helium was becoming "more important to our defensive activities."

HOW TO IMPROVE YOUR PERSONALITY
By VERONICA DENGEL

"FIRST" EVENING FROCK.

Shirley Temple, MGM star, is almost grown-up! And doesn't that make you realize how the years are piling up. One of her first evening dresses—on the grownup side—is the one we see today. Charming, young, modest, simple, it is the personification of the perfect dress for parties where the boys are self-consciously appearing in their first long white pants and flannel jackets.

The sleeves are softly puffed, and the bodice is embroidered in little brilliants to lend interest and effectiveness to the simple lines of the frock. Notice the lovely line for the neck—nothing low cut and on the cheaply sophisticated type that so many children insist on having.

Shirley's mother is very wise and understanding and has been a wonderful guide for her clever little girl. She lets Shirley have little things.

Shirley's mother is very wise and understanding and has been a wonderful guide for her clever little girl. She lets Shirley have little things.

FRESH FRUITS AND VEGETABLES MAY BE BOUGHT WITH STAMPS

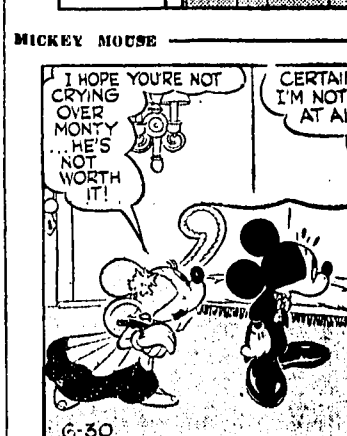

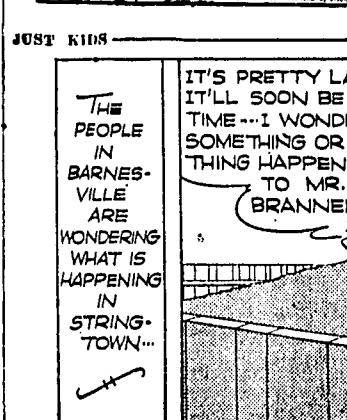

The list of foods available during July for purchase with blue stamps by families taking part in the food stamp plan in Navarro county was announced today by Lee Scarpinato, local stamp plan representative. These foods are obtainable in local stores throughout the month of July.

Fresh peaches and fresh vegetables (includes potatoes, all fresh vegetables, except those processed, frozen, canned, dried, or pickled, but do not include melons) have been added to the list of food which will be available nationally during July, while fresh grapefruit and fresh apples obtainable during June in all areas are not included in the July list.

With these revisions the complete list of "Blue Stamp Foods" for the period July 1 through July 31 in all stamp plan areas is as follows: Fresh oranges, fresh peaches, fresh vegetables (including potatoes, all fresh vegetables, except those processed, frozen, canned, dried, or pickled, but do not include melons), pork, lamb, all pork (except that cooked or packed in metal or glass containers), corn meal, dried peas, dried beans, hominy (corn) grits, dry edible beans, wheat flour and whole wheat (graham) flour, and raisins.

Home Damaged by Fire
Fire of undetermined origin extensively damaged the residence of W. J. Gibbs, 901 West Thirteenth avenue, about 4:20 Monday morning. Loss was estimated at \$1,000 by fire department officials. The house was owned by Harry Miller.

BRINGING UP FATHER

SPIES

(Continued From Page One)
born porter and stock clerk and identified by federal agents as a brother of James Wheeler-Hill, imprisoned German-American Bund official; Lilly Barbara, 30, in Klein, 26, Austrian-born artist's model; Leo Wagon, 37, German-born painter; Hartwig Richard Kleiss, 54, German-born seaman; Alfred E. Brokhoff, 39, of West New York, N. J., German-born mechanic; and Erwin Wilhelm Siskler and Franz Siskler, both of whom were already in custody on charges of violating the federal registration act.

Meanwhile, federal agents removed two men from two different ocean liners when they arrived here, but declined to say whether there was any connection between the seizures and the roundup of spy suspects.

From the Moore-McCormack liner Uruguay, eight agents took a 50-year old bedroom steward, described as a naturalized citizen of German birth.

Seven of the group, which included 22 German natives, were scheduled to be arraigned shortly after noon today before a U. S. commissioner in Brooklyn on specific charges of conspiring to engage in espionage activities in the United States.

U. S. Attorney Harold Kennedy said he would ask for high bail pending presentation of the case. Hoover said the G-Men shadowed the suspects for two years and finally "led the minto a fly-trap."

Warrants issued here charged the prisoners with transmitting information to foreign nations concerning operations of British-bound ships, new developments in United States naval, army and aircraft products—especially the latter—and transportation by courier of samples of latest armaments.

The alleged spy ring used se-

New York City native, reliably reported to have been a draftsman since 1927 at the Sperry Gyroscope plant in Brooklyn where the famed Sperry bombights are made.

Moore-McCormack liner Uruguay when it arrived off Sandy Hook this morning and removed a 50-year old bedroom steward, described as a naturalized citizen of German birth.

The agents refused to say whether there was any connection between his seizure and the roundup of spy suspects.

Linck and Roeder were among the group of 26 men and three women arrested in a swift, climactic two-to-two investigation of espionage.

Agents of the federal bureau of investigation led by Director J. Edgar Hoover, seized 24 in homes and taverns in four states. Five others already were in custody on other charges.

Seven of the group, which included 22 German natives, were scheduled to be arraigned shortly after noon today before a U. S. commissioner in Brooklyn on specific charges of conspiring to engage in espionage activities in the United States.

U. S. Attorney Harold Kennedy said he would ask for high bail pending presentation of the case. Hoover said the G-Men shadowed the suspects for two years and finally "led the minto a fly-trap."

Warrants issued here charged the prisoners with transmitting information to foreign nations concerning operations of British-bound ships, new developments in United States naval, army and aircraft products—especially the latter—and transportation by courier of samples of latest armaments.

The alleged spy ring used se-

cret inks for couriers traveling across the Atlantic by clipper planes. Hoover declared that a radio with an ocean-spanning range was found in the room of one suspect.

Besides the 18 taken in the metropolitan area and the five already in federal custody, four were arrested in New Jersey and one each in Michigan and Wisconsin.

Hoover said he was confident that the speedy arraignment of the New York prisoners would be followed shortly by that of others, who will be brought to Brooklyn for trial.

Maximum penalty for conviction of espionage or conspiracy to commit espionage under the 1917 federal espionage act is 20 years imprisonment.

Dallas Is Involved.
DALLAS, June 30.—(AP)—Evelyn Clayton Lewis, 38, listed by the Federal Bureau of Investigation as among those arrested and charged yesterday in New York with conspiracy to engage in espionage activities, attended Dallas public school and Southern Methodist University and was known here for her sculpting and little theatre work.

Relatives said Miss Lewis had been in New York studying art and sculpture since the latter part of 1933.

Thornton said Miss Lewis was born in Arkansas, came to Texas with her parents, went to school in Dallas and was known here in 1925 to attend the New York School of Fine Arts.

He said she returned to Dallas about 1931, remaining for two years, sculpting pieces of prominent Dallas persons, maintaining studios and doing exhibition work.

MARINES

(Continued From Page One)
Atlantic with the possible loss of an American marine.

Asked at a press conference about an authoritative report that the ship, carrying ten United States marines to London, was lost, Welles said he had been in touch with the navy department about the report but he did not believe the navy was in a position yet to make an official statement.

Welles added that American nurses were aboard the same vessel with the marines traveling to England to help the expanded services of the American embassy including communications and fire prevention.

Under the neutrality act, Welles explained, the President had the power to make exceptions to permit Americans in certain instances to travel on belligerent ships.

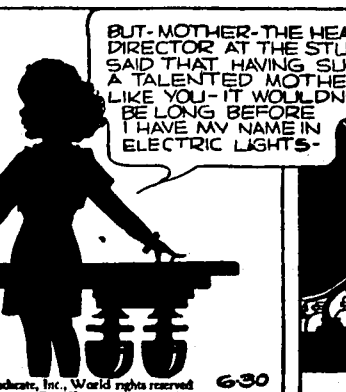

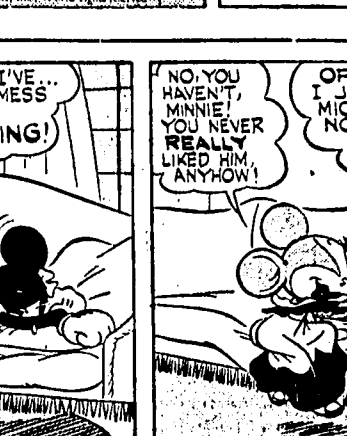

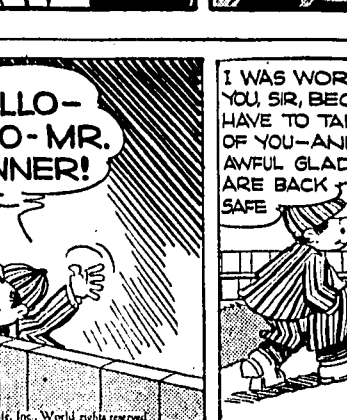

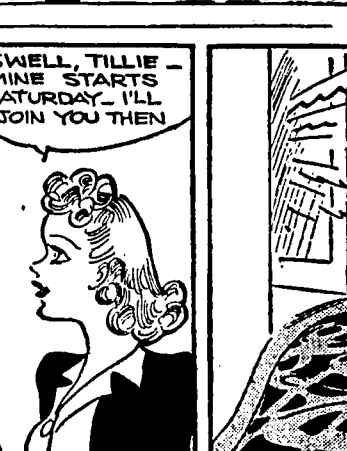

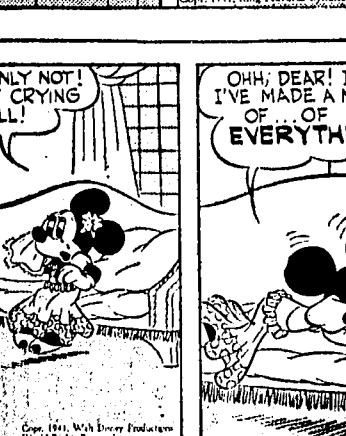

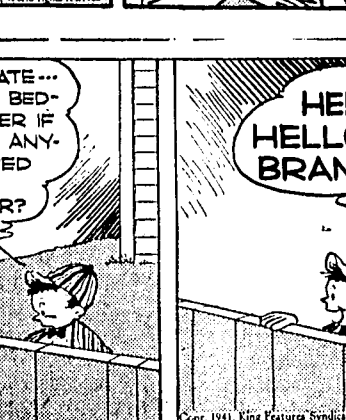

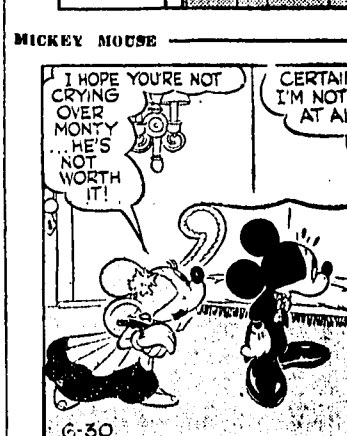

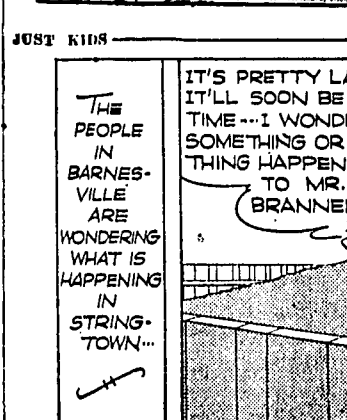

The acting secretary did not mention how many nurses might have been aboard the ship.

The Marines were on a Dutch vessel, now in British service, which was torpedoed somewhere in the Atlantic, the official said. He gave the ship's name as the Maarsden.

There was no immediate confirmation of the sinking at the navy department, and other sources either said they were without information or declined comment.

Paul H. Miller Here.
Paul H. Miller, now stationed at Camp Bowie in the medical corps, spent the week end with his mother, Mrs. T. A. Miller, at her home here. He formerly was Navarro county judge, resigning late last year to join the army.

By George Melchior

ACTIVE WARFARE REPORTED MONDAY ON FINNISH BORDER

HELSINKI, Finland, June 30.—(P)—Active warfare along the 600-mile Russian-Finnish border was accompanied today by official reports of widespread bombing and machine-gunning of Finnish cities by Russian planes. Four civilians were killed and others were injured.

A dozen cities were listed as targets of the Soviet raiders over Sunday and the Helsinki radio said an "enemy" plane had machine-gunned the Finnish passenger ship Arcturus. Stockholm-bound from Turku (Abo) with sixty passengers, but all escaped injury and the vessel was not damaged.

(The Finnish Arcturus is not listed in Lloyd's register. A 1,277-ton Norwegian ship of that name was sunk by a mine off Scotland Dec. 1, 1939.)

Bombers set forest fires in four areas, it was said, but they "were quickly extinguished."

Minister of Agriculture K. S. Lickoski said in a broadcast that thousands of Finnish farms were entirely without male farm hands because of military inductions, and urged all unrecruited civilians to volunteer to help with the agricultural work.

The Finns' policy of passive resistance to the U.S.S.R. ended Sunday.

Charles E. Hughes Retires at Midnight

WASHINGTON, June 30.—(P)—This is Charles Evans Hughes' last day as chief justice of the United States.

Effective at midnight, the 79-year-old jurist is relinquishing the nation's highest judicial position because of "considerations of health and age."

He chief justice announced on June 2—after the supreme court had recessed until next October—that he would retire on July 1 after serving 11 years.

WAR RUINS ON THE EAST FRONT

Against a background of war-smashed buildings in a Russian village, two German soldiers (right) guard two Russian prisoners. (Photo via radio from Berlin to New York.)

INTERNATIONAL

(Continued From Page One)

Once again the implication was that Russia's resistance was crumbling under the impact of Hitler's lightning tactics, executed by a force which the Russians themselves estimated at more than 2,300,000 troops—presumably including Germany's allies, the Finns, Slovaks, Rumanians and Hungarians.

Nazi reports also asserted that German troops had encircled a Soviet division—about 15,000 men—near the Baltic coast in a renewed push northward through Lithuania and Latvia.

The German high command further reported the capture of Libau, on the Baltic Sea.

DNE, the official German news agency, declared the ring around the Red army division in the Baltic was "so narrow and tight that destruction of the Bolshevik units is certain."

"During last night, our troops continued stubborn fighting in the Murmansk, Dvinsk, Minsk and Luck sectors," a Russian communication said.

"In other sectors of the front, reconnaissance, frequent troop regrouping and artillery duels took place."

The roar of cannonading was reported in major sections along most of the 2,000-mile front from the Baltic to the Black Sea.

The Rome radio said German motorized forces had occupied Minsk, twenty miles inside Russia's 1939 frontier, but Berlin officials merely noted that German columns had swept around the city.

Minsk is the capital of a Soviet republic whose designation of "White" has no political significance. Rather it derives from the costume worn by the natives.

Hitler's field headquarters made this announcement:

"Lwow was taken today. The Reich's war flag has been flying from the citadel since 4:30 a. m. (9:20 p. m. EST, Sunday.)"

The city lies fifty miles inside Sovietized Poland from the German frontier.

It was in this sector, less than two years ago, that the routed Polish army was forced to capitulate to German forces who later yielded it to Russia when Poland was partitioned.

While the Germans claimed a rapid-fire series of successes, it was apparent that with the exception of the Minsk area, Russia's Red armies still were fighting west of the 1939 Soviet frontiers.

In addition, a Moscow communication declared that German attempts to knife across both the Karelian Isthmus from Finland, now fighting at the side of German, and to land troops by sea at Viipuri were repulsed.

On Gulf of Finland.

Viipuri is on the Gulf of Finland, only seventy-four miles by railroad from Leningrad, Russia's second largest city.

The Soviet war bulletin also asserted that the Red army still was holding against violent attacks ranging from Murmansk, on the Barents Sea, to the vicinity of Minsk and on south through the Luck-Lwow gateway to the great wheatfields of the Ukraine.

In this region, between Luck and Lwow, a flaming battle of 4,000 German and Soviet tanks raged into its fifth day with Nazi juggernaut seeking to break through the Ukrainian capital of Kiev, 250 miles eastward.

The Berlin radio announced the occupation of Luck, 100 miles northwest of Lwow, but this could not be confirmed. The radio, in a news broadcast in Spanish, further claimed that Nazi troops had occupied Minsk. A German spokesman, however, said there was no confirmation.

The spokesman said Minsk, twenty miles inside the old Russian frontier, was seriously menaced by German armored divisions and that Nazi motorized units had seized control of the head of the Minsk-Moscow motor highway.

Two Soviet Armies Trapped.

West of Minsk, in Bialystok sector of old Poland, the Germans defeated two Soviet armies were trapped. Military sources in Vichy heard the two armies numbered 400,000 men, but they gave them a chance to break through.

By contrast, Russian military dispatches asserted that German panzer forces in the Minsk area had been trapped by Soviet counter-attacks.

The Russians conceded that German columns had penetrated into Lithuania a third of the way to Leningrad and across Poland almost a third of the way to Moscow.

On the Viipuri front, the Russians said, 300 Nazis were killed in a single assault and the entire German landing party put ashore near Viipuri was wiped out.

France broke off diplomatic relations with Russia this morning with the official explanation that Soviet diplomatic and consular agents in France were carrying out activities against the public order and security of the state.

It was the first time France had reached an open break against any of Germany's enemies.

Gen. Bertello Surrenders.

CAIRO, Egypt, June 30.—(P)—General Bertello, who until recently commanded Italian forces holding British Somaliland, has surrendered to the British, the Middle East command announced today.

British Somaliland, which was yielded to the Italians last summer has been reconquered by the British.

LEGISLATURE

(Continued From Page One)

The senate passed a house bill placing primary election contests directly into district courts and tightening methods of canvassing election returns. Contests under the new law go first to county executive committees.

A house bill extending primary lease periods on oil, gas and mineral leases thrown into litigation for more than five years was finally passed by the senate.

Senator Oscar R. Van Zandt of Hugo tried vainly to call up a tie bill setting up a state merit system for all state agencies receiving funds from the federal social security department.

AUSTIN, June 30.—(P)—Gov. W. Lee O'Daniel today signed the eleemosynary, education and rural aid appropriation bills without vetoing any item.

The governor announced his action on the three important money bills in special messages to the legislature, which had just reconvened after a recess of several days.

The bills made appropriations as follows:

Eleemosynary, \$15,598,000, an increase of \$2,226,000 over the appropriation for the current year.

Education, \$22,622,069, an increase of \$5,275,069.

Rural aid, \$16,888,390, an increase of \$3,238,390.

With regard to rural aid, the governor said he was strongly in favor of doing everything we could to increase the educational opportunities for our Texas boys and girls.

He pointed out that the state board of control had recommended about \$2,000,000 more for eleemosynary institutions than the legislature appropriated and said he thought the recommendation not excessive.

Nevertheless, he stated, the appropriation "will possibly enable us to take the insane out of the jails and to make some substantial improvements in all of our eleemosynary institutions."

In view of increased attendance at schools and the fact that two years ago all appropriations for new buildings and permanent repairs were exhausted, he said, the appropriations for institutions of higher learning also were not excessive.

A higher salary schedule for teachers was needed, he asserted. He vetoed a bill authorizing independent school districts to issue bonds to acquire recreational facilities without an election on grounds it denied the people the right to vote on the issuance of bonds.

Meanwhile, the house concurred in senate amendments to a bill conforming the state's public welfare statutes to federal social security regulations.

The measure takes immediate effect because it received more than 100 affirmative votes in the house and the necessary two-thirds majority in the senate.

Legislative Comment.

AUSTIN, June 30.—(P)—Members of the legislature today expressed widely-differing opinions as to the effect of the senatorial election on legislative work.

Some suggested it would have little effect. Others said it would speed sine die adjournment. Another view was that confusion had resulted and some time would be necessary for the situation to clarify.

Comment follows:

Rep. M. A. (Bill) Bundy of Wichita Falls: "The legislature's program for weeks had been shaped in the general expectation that there would be a change in state government. The apple cart has been upset and confusion prevails."

Senator Penrose Metcalfe of San Angelo: "Uncertainty has been dispelled. The legislature should go home. In fact, it should have quit a month ago."

Rep. Marvin Simpson of Fort Worth: "What happens now depends upon what the governor does to the appropriation bills."

Rep. S. J. Isaacs of El Paso: "The O'Daniel movement is done."

Rep. Ben Sharpe of Paris: "The people have spoken. The legislature will do nothing."

Rep. Leslie Lowry of Beaumont: "I think we will adjourn Thursday."

Report Supply Bill Signed.

AUSTIN, June 30.—(P)—Legislature sources reported today that Governor W. Lee O'Daniel had signed the bill appropriating \$20,763,316 for state departments in the new biennium without vetoing any item.

The governor previously had announced that he had approved without veto the education, eleemosynary and rural aid bills.

Palmira Enclerled.

CAIRO, Egypt, June 30.—(P)—The British Middle East command announced today that the British have completed the encirclement of Palmira, French stronghold in the heart of the Syrian desert.

GERMANS

(Continued From Page One)

The Germans then withdrew from the city and placed it in the Russian sphere when Poland was partitioned.

The 1941 capture of Lwow was reported from the Russian headquarters today in this brief announcement:

"Lwow was taken today. The Reich's war flag has been flying from the citadel since 4:20 a. m. (9:20 p. m. E. S. T., Sunday.)"

Air Force Active.

Authorized spokesmen, meanwhile, indicated that Minsk, in old Russian territory, was menaced seriously by German armored divisions, which already have been reported east of that White Russian capital.

DNE, official German news agency, dispatches said the Luftwaffe had concentrated fierce air assaults in the Minsk region today and that four Russian planes were shot down and another 73 destroyed on the ground in that sector.

In a large-scale air battle on the Lwow front, it said, 37 Russian planes were shot down and 14 more destroyed on the ground.

In all, it said, 214 Russian planes have been destroyed or damaged on the ground last night and so far today on the eastern front, including 22 bombers shot down in an attempted attack on a German position.

German air attack was credited also with having smashed Russian railroad facilities, derailed trains, destroyed tanks and battery positions and sunk a transport of between 3,000 and 4,000 tons.

More Ship Losses Claimed.

BERLIN, June 30.—(P)—Total of eight hitherto unreported merchant ships, totaling 48,400 tons were claimed today as sunk in Germany's air-sea war against Britain's overseas supply lines.

Three ships totaling 23,000 tons were sunk by German bombers off Great Yarmouth, last night, the high command said. Among them was one large transport, it reported.

In Sight of Smolensk.

BERLIN, June 30.—(P)—A German military spokesman asserted today that Minsk was in German hands and that the German troops were in sight of Smolensk, 200 miles east of Minsk on the road to Moscow.

A German military spokesman asserted Minsk was in German hands shortly after the high command reported capture of Lwow, the lower Polish front, and Libau, Latvian port on the Baltic Sea.

The spokesman intimated German troops were in sight of Smolensk, 200 miles east of Minsk. A big pocket was being formed in the Smolensk region, he said.

TRAINEES

(Continued From Page One)

lectees will be transported to San Francisco, Cal., to join the 394th Quartermaster battalion. On June 30, seven hundred soldiers will leave for Fort Huachuca, Ariz., for assignment with the 25th infantry regiment.

Ensigning, Minn., will be the destination of 931 soldiers who will depart July 3, to join the third infantry regiment.

On Sunday, July 6, a huge truck convoy will take 885 men to Fort Sam Houston, Texas. They will be assigned to the 9th, 23rd and 38th infantry regiments.

Pullman will carry 765 men to Fort Benning, Ga., on Monday, July 7. They will join the 9th anti-tank battalion and the 8th, 22nd and 29th infantry regiments.

These departures will bring the total number of graduates of Camp Wolters first class of selectees who have left to 6,477.

Aggie Is Morale Officer.

CAMP WOLTERS, June 30.—(P)—Captain of the 1935 Texas A. & M. Football team and an "eight letterman" is the college record of First Lieutenant William T. Wilkins, new Camp Wolters assistant athletic and morale officer.

Lieutenant Wilkins comes to Camp Wolters from Bowie High School, El Paso, where for five years he was an instructor with the ROTC and coached the high school's athletic program.

At Texas A. and M. Lieutenant Wilkins won three letters in football, three in basketball and two in track. Here at this infantry replacement training center, he will be in charge of the now almost completed service club for colored soldiers and will handle athletic activities for the camp.

BRITISH

(Continued From Page One)

trial districts in both cities were hit, it was said, as British fliers bombed the harbor and the weather forced them to halt for one night after 17 consecutive nights of attack into German-held territory and Germany proper.

The night attack marked the second phase of Sunday's offensive action, the RAF sweeping over the Nazi-held coast of France by daylight in the first foray.

The air ministry said one German plane was shot down during scattered Nazi raids last night against eastern England.

(Reports from Berlin said 13 British bombers were downed in the night raid on northern Germany.)

LONDON, June 30.—(P)—Stocky, energetic Lord Beaverbrook was made minister of supply today to double and possibly quadruple tank production and other armaments put when planes were vitally needed.

Appointment to what was regarded as one of the most important jobs in the British war machine came amidst criticism from some quarters that Britain had not yet reached full industrial development for war.

Critics have attacked the government for failing to understand the basic economic character of the war and for "embarking on grandiose military stratagems without the aid of sound military judgment."

As Minister of Aircraft production, Beaverbrook quadrupled plane output and military observers believed he must increase tank production to the same before parity with German armored divisions is approached.

LONDON, June 30.—(P)—Informed sources in London said today that the American Eagle squadron has been in the vanguard of recent RAF sweeps over Northern France.

Declining details, the sources said fighter planes of the squadron had been doing "extremely well" in the thrusts against German bases in the areas across the English channel.

The American Eagle squadron is made up of American volunteers. The members wear the regular RAF uniform of sky blue, but are not required to take the oath of allegiance to the king.

The group is commanded in action by Squadron Leader William Erwin Gibson Taylor of New York. Organization of the unit was first announced last Oct. 8.

New American Bombers Best.

LONDON, June 30.—(P)—The flow of United States-built bombers to Britain will enable the RAF not only to "increase the depth and damage" of its forays into Germany, but also "make up in ten days what the British lost in a month of this type of raiding," an American air observer declared today.

He said the British have nothing to "touch" the new American bombers.

The difference between those built here and those built across the Atlantic, he said, is that British planes are constructed to last forever and American planes only until a better model supersedes them.

And then!

YOUR HEALTH

Is Your Greatest Asset

Many do not believe this until they are sick.

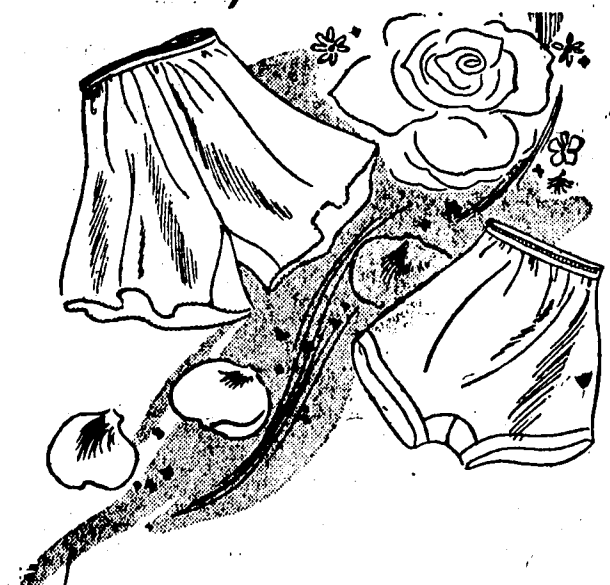

Because you are now healthy is no sign you will continue so. You will be if you properly guard your health. If you have neglected your health and have been sick, your greatest problem is to get busy and re-build your health. Without health, you are old at any age; with health you are young at any age. Without health you are always greatly handicapped in your work, your civic duties, your church work and many other activities of a normal life.

There are several ways to benefit your health. Among them is the Turkish Bath.

Your Y. M. C. A. is equipped to give them in a fine way. In fact no city or institution is better prepared to give Turkish Baths than is your own Y. M. C. A. You are urged to call and see us and talk this matter over.
